

“Gospel Message for Kids”

Here is the updated Children’s Church schedule for 2018! Thank you again for helping to serve the children of our church! They really enjoy this special time dedicated to their spiritual growth. I've highlighted the times that there will not be a Children's Church; Easter Sunday and during the summer.

On your Sunday – all materials (children’s bulletins, gospel story to read, and activity sheet if you need more things to do) are on the back table with your name on it. Please make sure you are giving the children their bulletins even if you are doing a craft project.

If you want supplies faster than Sunday – the website is: Sermons4kids.com – the site is updated the Monday of the week leading up to your Sunday.

Please – check over the schedule. If there is a conflict, please switch with someone and let me know who you switched with.

If you know of someone who would like to help and they are not on the list please let me know.
 God’s Blessings, Jackie
