Jesus looked at them and said, "With man this is impossible, but with God all things are possible."

Matthew 19:26

As some of you may know, I come from a family of race car drivers. So, when I turned 5 it was the time I could start driving karts. It's my first-time practicing, I had done a couple laps around the track. Everything was going well, but when I went to brake, I had forgotten a major detail, which pedal was the brake and which pedal was the gas So my first instinct is to push both pedals at the same time. If any of you have driven a vehicle before you know that might not be the best idea. So, the kart is out of control and I spin off the track and I'm heading straight for our big enclosed trailer. It's like time slows down and I see Jesus sitting right beside me, I see him turn the wheel. Instead of hitting the trailer, I hit one of the tires on our pickup truck. No injuries, just really shaken up. I don't really like to think of what could have happened that day but, I'm so thankful that Jesus save me that day. That's where Matthew 19:36 comes in for me, it reminds us that with God anything is possible.

Thank you.
