SUICIDE PREVENTION IS A PRIORITY.

It doesn't take a lot of digging around to find alarming statistics regarding the rates of suicide in today's youth. The Center for Disease Control and Prevention, claims that suicide was the second leading cause for death among 10-24 year-olds in 2016. According to The Jason Foundation, each day in our nation, there are an average of over 3,041 attempts by young people grades 9-12.

St. Peter's will be hosting
Sherry Laatsch on Wednesday,
October 12th at 6:30pm.

We encourage all families and individuals to join us and hear her story and of her will to help as many teens as she can.

For more information on suicide prevention or for help, we suggest contacting NAMI of the Fox Valley at 920-954-1550 or one of your pastors for immediate concerns.
